

Alternative Gifts

Alternative Gifts

Alternative gifts are a unique way in which you can bless both family and friends, and young people who are in need.

They provide much needed support for village projects in Cambodia.

When you purchase an alternative gift from Care for Cambodia, 100% of the money goes to people who are in need. All administration is completed by volunteers in order to provide as much support as possible for our Cambodian village projects.

To purchase an alternative gift by cash or cheque, please fill in the order form overleaf. Alternatively, if you wish to pay by credit/debit card you can place your order online at www.careforcambodia.org.kh.

You will then be send a gift card which you can send to the recipient of your choice. If you would like to include more than one gift in the same card, please note this on the order form.
