

Alternative gifts are an unique way in which you can bless both family and friends, and young people and communities who are in need. They may not be as tasty as a box of chocolates, but the money raised from these gifts will make a big difference to the lives of those who do not live in the luxury we do.

The gifts below are available for purchase. Be assured that every penny you give us will pay for the gift you have requested. To purchase a gift please complete the order form below. Alternatively you can order on our website www.careforcambodia.org.kh

Payments by cash and cheque are welcome (though if posting this form a cheque is safer). Cheques should be made payable to '**Care for Cambodia**'. If you wish to pay by credit/debit card you need to order your gifts online.
